

## The Techy Artsy Forum is now open!

Saturday, 02 February 2008

Last Updated Saturday, 02 February 2008

After days of elbow grease and blistered fingers, we are happy to announce that the Techy Artsy forum is now open to the public! We have an array of topics that should cater to your personal creative niche. We invite everyone to please view the forum , and join Techy Artsy for full access. Come join in on the great discussions and community sharing! Click on the forum button in the top menu to access and contribute to the Techy Artsy Forum!
